

10.12.2025 points of order

**Spencer! your task is the same about finding out what's the best metric to judge model performance on is!**

16:41

Ethan, i have made a simple( not really simple but yeah) wireframe of sorts for the application, right now there's only 3, can you please look at it review it and just let me know if it's possible to do it! thank you!

16:39

Edward, i also have included a sample system architecture diagram to this white board, please do look at it and tell me what you think and if you have any queries, if it seems overwhelming we'll simplify the concepts on the meeting

16:37

Sunny there is a data flow diagram I've made there please look into it, and let me know in the next meeting if you're confused about anything!

16:36

These messages were sent by Mr Sandesh to guide us after the last meeting.
