Attendants

Ethan

Edward

Spencer

Sunny – apologies over broken ankle

Sandesh (client)

Sandesh shows off new front end design prototype

Sandesh will send screenshots of this, mockups will be on figma – ethan

Aws Edward – 60/70% done on the architecture – send to Sandesh on whatsapp for shubas approval.

Lambda primarily used but ec2 used with low balances.

Next Monday set to be a longer call to go through thoroughly the architecture.
